

Sister Grace Vincent Kupris – 50 Years

Sister Grace Vincent was born in West Edmeston, NY. Sister Grace Vincent entered the Sisters of St. Francis of Syracuse on September 8, 1960 and made her Final profession of vows on August 20, 1968. She received an Associate Degree from Maria Regina College in Syracuse, NY, and a bachelor's Degree from Scranton University in Scranton, PA.

Part of Sister Grace Vincent's ministry was in catechetical work in and around Syracuse. She was also an educator in many of our schools in New York State. Since 1996, Sister Grace Vincent has been a Home Health Care Aide. Even with her own health care issues she has the gift of being able to reach out to young and old home bound patients. She brings with her a pleasing personality and a heart- warming smile.

Sister Grace Vincent shares many Franciscan experiences with her sister, Sister Bernadette Joseph.
