

**Sister Christopher Talbot – 50 years**

I would like to thank my Lord and my God for giving me fifty years of religious life.

I would like to thank Jesus for the incomprehensible gift of calling the creator of the universe and whatever is beyond by the most intimate name of “Father.”

I am most grateful to God that no matter what happens or how I am getting along, He is walking right beside me. He is faithful to the end, and He is Lord!
