

Sister Barbara Jean Wajda

The great love I have for God's people is a reflection of God's love for me that I have always felt channeled through family, friends and others in my life. I am deeply grateful to be a Sister of St. Francis. It is a good fit for someone who can find God abundantly present in all creation. As time passes, gratitude and appreciation for continuous blessings is an abiding awareness. My mother once wrote, "May God be your teacher." ...a cherished blessing realized each day. My prayer is that I may be a blessing to those in my life.
