

Sister Gregoria Wong – 60 years

Travelling across the Pacific Ocean by boat and then by train across the continental United States, Sister Gregoria followed her dream of becoming a Sister of Saint Francis. Since the time of her entrance in 1950, she has traveled to her native Hawaii many times where taught school and enjoyed visits with her family. In addition to teaching in Hawaii, S. Gregoria taught in schools in Utica, Baldwinsville, Syracuse, Albany and Mattydale, all in New York State. Now in her retirement years, she serves as an office assistant at Saint Margaret's parish in Syracuse. Gifted with a beautiful singing voice, she also possesses wonderful culinary skills. As a baker, her sweet breads, cakes and baked goods delight the palate of many in the Mattydale area of N.Y. S. Gregoria's quiet gentle ways and her trust in God's presence in her life are what sustain her through any of life's difficulties.
