

SISTER MARGARET MARY SCHMICKER
NOVEMBER 1, 2011

In spite of her serious illness in the last few months of her life, Sister Margaret Mary spread her sense of joy and zest for life throughout the Regional House here in Hastings. She continued to bless many with her presence at the Wartburg Senior Village and will be remembered even though her stay was brief.

Sr. Margaret Mary's wake and funeral were a testament to her wonderful ministry in Camden, New Jersey for so many years at St. Joseph's Pro Cathedral. On Thursday, November 3 a bus arrived from Camden for her wake and Friday, November 4 a second bus left New Jersey at 6:30 am to attend Sister's 10:30 Funeral Mass. There had been other bus rides to visit Sister Margaret Mary at the Assisted Living building at Wartburg, Mt. Vernon, NY. Sister was Franciscan Spirit in Action and she passed the Spirit on to all she ministered to during her 62 years as a religious.

Saturday Morning the CNY Regional welcomed Sr. Margaret Mary with a beautiful Mass.
