

June, 2011

Dear Friends,

Over the years, we at the Franciscan Retreat Center have been pleased to provide you with a peaceful setting for your retreats, meetings and days of prayer.

As you may have heard or read in the papers, the Sisters of St. Francis are closing their Region House here in Hastings on Hudson. The Sisters will be relocating to other residences beginning in July. The retreat center will be closing on October 31, 2011 as a result of this decision.

We thank you for choosing the retreat center for your retreats and programs. We have been enriched by your presence and wish God's blessings on your future endeavors.

Peace and Good,
Sr. Pat Larkin and Judy Foster
